Massas, Hanay P. Wilson & Co.: I have used your Hair Regenerator and Hair Dressing, and have received gout benefit from them. Messas Henry P. Wilson & Co.; I deem Mrs. Wilson's Hair Regenerator and Hair pressing the standard articles of all hair preparations. I have, in many instances, known them to restere the hair where it had fallen off, remove dandruff, restere the hair to its original color, cure entirely the most painful headaches—and in the standard of some instances most serious humors. Wilson's Hair Dressing is put up in large buttles, and retails for 37 ets. per bottle, and for dressing the bair of any person, young or old, there is not its equal in the world It will make the hair everything you wish it to be, sud moreover, it has a perfume that is infinitely superior to any of the fashionable oxtracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Drosslag, and your hair will be even more lifelike in color and beauty. Use nothing on your hair but these proparations, and use these according to directions, and we warrant you a good healthy head of hair.

If this popular House was of recent date, and it was deemed expedient to extend its reput tion by any display of public recommendation, it would be no difficult task to arrange in the most imposing f rms, thousands of endorsements as to the excellence and variety of their mer-

From the point of it first existence, more than eighty years ago, down to the present day, this establishment has maintained its well-corned reputation, the lategrity of it-financial obligations remain yet untarnished, and the didelity and premptitupe with which its numerous supporters have been served furnish the least evidence. supporters have been served furnish the best evidence that it has suffered no dimunition, and that the quality of its staple articles have in no way been permitted to degenerate.
